

Invitation to a Global Fund on AIDS, TB and Malaria briefing session for Potential Applicants

Right to Care, Principal Recipient under the Global Fund for AIDS, TB and Malaria, is pleased to invite civil society organisations with a presence in Tshwane district, Gauteng Province to attend a briefing session on providing services as a sub-recipient under Global Fund module “*Prevention programme for Men who have sex with men and Transgender people*”. This will enable potential applicants to adequately respond to application requirements when a request for proposals is published.

Details of the programme briefing is as follows:

Date: 25 October 2017

Time: 11h00 to 13h00

Location: Right to Care, On The Lake, 1006 Lenchen Avenue North, Centurion;
011 276 8850

Brief background

The briefing will specifically address a component to be funded under Global Fund for AIDS, TB and Malaria namely implementation of programmes to increase coverage and uptake of HIV counselling and testing (HCT) and TB screening through comprehensive integrated HIV prevention services for men who have sex with men (MSM) and Transgender (TG) people. The component will be unpacked during the session. The briefing will also assist organisations to prepare for the application process and clarify supporting documentation needed to complete application template.

Attendance at this meeting is not mandatory, non-attendees will not be disqualified from the bidding process.

Please confirm your attendance at this meeting no later than 23 October 2017.

For information or clarification regarding the briefing please contact Edward Sibanda on 011 276 8850 or email: edward.sibanda@righttocare.org
