

Expression of Interest in Community Mobilisation for COVID 19 Vaccination.

Right to Care is requesting proposals from Community Based Organizations (CBOs) for the social mobilisation of communities and individuals for a USAID funded COVID-19 vaccination programme. The vaccination programme is being rolled out across all nine (9) provinces of South Africa and intends to reach 70% of South Africans who are eligible for COVID-19 vaccination.

Deadline for applications is 26 May 2022.

Districts of implementation as per the table below. Awards will cover the period 1 June - 31 December 2022.
